

Patient Participation Group

Open Meeting

Monday

15 June

6.30 - 7.30

Sunbury Health Centre

All patients of Sunbury Health Centre are invited to this Open Meeting of the Patient Participation Group (PPG).

Dr Gill and other Practice staff will give an overview of the many positive developments taking place as well as highlighting the challenges faced by the Practice in our ever expanding community.

There will also be an opportunity for general comments, suggestions and questions from patients. Please note that this is NOT an opportunity to discuss individual cases or issues, these should be passed to the Practice in the normal way.

Not used, or unsure about the new on-line Patient Access system?

We'll show you how to book appointments and order repeat prescriptions with our leaflets and free hands-on training!
